BASIC INFORMATION

1. What Is This Notice About?

This Notice is to inform you about a Settlement reached in this litigation, before the Court decides whether to grant final approval to this Settlement. This Notice explains the lawsuit, the Settlement, and your legal rights. The Court in charge is the United States District Court for the Eastern District of Pennsylvania. This litigation is known as *High Street, et al v. Cigna, et al.*, No. 2:12-cv-07243-NIQA. The people who sued are called the “Plaintiffs.” The companies they sued are called the “Defendants.”

2. What Is This Lawsuit About?

The lawsuit alleges violations of the Employee Retirement Income Security Act of 1974, 29 U.S.C § 1132(a)(1)(B) (“ERISA”), related to the alleged denial of out-of-network Plan benefits claims for chiropractic services based on Cigna and ASH’s utilization management review (“UMR”) processes.

3. Why Is This a Class Action?

In a class action, one or more people, called the “Class Representatives,” sue on behalf of themselves and other people with similar claims in the specific class action. All of these people together are the “class” or “class members.” In a class action, one court may resolve the issues for all class members, except for those who exclude themselves from the class.

4. Why Is There A Settlement?

The Court has not decided in favor of the Plaintiffs or Defendants. Instead, both sides have agreed to the Settlement to avoid the costs and risks of a lengthy trial and appeals process. The Class Representatives and Lead Counsel believe the Settlement is fair, reasonable, and adequate, and in the best interests of the Settlement Class Members.

THE SETTLEMENT

5. How Do I Know If I May Be Included in the Settlement Class?

The Settlement Class includes:

All ONET Chiropractic Providers who provided clinical services up to the Final Approval Date to a Plan Member, and whose claims for reimbursement of such services were subjected to the ASH policies or practices as part of the claims review or benefit determination process and where some or all of the claim was denied. The Settlement Class excludes all Persons who, in accordance with the terms of the Agreement, execute an Opt Out from the Settlement Class pursuant to ¶8.1 of the Agreement.

The specific definition of who is included in the Settlement Class is set forth in the Settlement Agreement and in the order preliminarily approving the Settlement. The Settlement Agreement, the Preliminary Approval Order, and other relevant pleadings and Court Orders are accessible on the website www.HighStreetChiroSettlement.com.

6. What Does the Settlement Provide?

The Total Settlement Fund for this case is \$11,750,000. After a deduction of attorneys' fees, notice and administration costs, litigation expenses, and Service Awards to the Lead Plaintiffs, as approved by the Court, the remaining Total Settlement Fund ("Net Settlement Fund") will be available for distribution to Settlement Class Members.

More details about the Settlement are set forth in the Settlement Agreement, available at www.HighStreetChiroSettlement.com.

HOW TO GET BENEFITS

7. How Much Money Can I Get?

Each Settlement Class Member will receive a pro rata payment from the Net Settlement Fund based on the amount of each class members' respective bills (as reflected in Defendants' records) that were denied in whole or part pursuant to Defendants' UMR processes. The estimated pro rata payment amount for each Settlement Class Member is reflected on the Notice Postcard that was mailed to you. Each Settlement Class Member's actual payment amount will be determined based on the amount remaining in the Net Settlement Fund after deductions for Court-approved Notice and Administration expenses, Attorneys' fees and expenses, Service Awards to the Lead Plaintiffs, and taxes. Payments to Settlement Class Members will be made only if the Court grants final approval of the Settlement and any objections and appeals are resolved.

8. How Can I Get a Payment from the Settlement?

You do not need to do anything to receive a payment from the Settlement. Inclusion is automatic and you will be included, unless you specifically request to Opt Out from the Settlement as described in response to Question 14 below. Settlement checks will be mailed to at the address listed in the postcard notice sent to Settlement Class Members. If that address is wrong, or if your address changes, please notify the Settlement Administrator at www.HighStreetChiroSettlement.com or by phone toll-free at (888)-208-9083.

9. When Will I Get a Payment?

Payments from the Settlement will not be distributed until the Court grants final approval of the Settlement and any objections or appeals are resolved. Updates will be provided on the Settlement's website at www.HighStreetChiroSettlement.com or may be obtained by contacting the Settlement Administrator by phone toll-free at (888)-208-9083. You can also register to receive email updates at www.HighStreetChiroSettlement.com. Please be patient.

10. May I Challenge or Dispute the Estimated Payment Amount provided on my Notice Postcard?

If you disagree with the estimated payment amount provided on your Notice Postcard, you may challenge this determination by submitting a request in writing and providing evidence of the total claims for reimbursement of clinical services which were subjected to the ASH policies or practices as part of the claims review or benefit determination process and where some or all of the claim was denied.

These requests may be submitted to the Settlement's website at www.HighStreetChiroSettlement.com or in writing to the Settlement Administrator at:

High Street v. Cigna
c/o A.B. Data, Ltd.
P.O. Box 173064
Milwaukee, WI 53217-8042

Please keep in mind that in determining the estimated payment, the face amount of each Settlement Class Members' bills was reduced to reflect the fact that Cigna's insurance contracts with its insureds limited the allowable amount for each

service, which is often less than the face of amount of Settlement Class Members' bills, and there were further reductions to account for compromises made with Defendants in order to reach agreement on the Settlement, plus additional reductions for estimated fees and expenses of Class Counsel, estimated Service Awards for the Lead Plaintiffs, administration fees for the Settlement Administrator, and taxes.

11. What Am I Giving Up To Get a Payment and Stay In the Settlement?

If you remain a Settlement Class Member, you will give up your right to sue the Defendants on your own for the claims described in the Settlement Agreement. You will also be bound by any decisions by the Court relating to the Settlement. In return for paying the Total Settlement Fund, the Defendants will be released from claims stemming from the alleged conduct concerning ASH's denial of claims pursuant to the UMR process as identified in the Settlement Agreement.

The Settlement Agreement describes the released claims in further detail. Read the Settlement Agreement carefully since those releases will be binding on you as a Settlement Class Member if the Court grants final approval of the Settlement. The Settlement Agreement is available at the website www.HighStreetChiroSettlement.com.

Any payment to the attorneys will be subject to Court approval, and the Court may award less than the requested amount. OPTING OUT FROM THE SETTLEMENT CLASS

To Opt Out from the Settlement, you must send a letter by mail stating that you want to be excluded from *High Street, et al v. Cigna, et al.*, No. 2:12-cv-07243-NIQA. Your written Opt Out request must include the following:

- Your name, address, and telephone number;
- A statement saying that you want to be excluded from *High Street, et al v. Cigna, et al.*, No. 2:12-cv-07243-NIQA; and
- Your signature.

You must mail your exclusion request, so that is postmarked no later than July 10, 2019 to:

P.O. Box 173001
Milwaukee, WI 53217-8042

15. If I Don't Opt Out, Can I Sue for the Same Thing Later?

No. Unless you Opt Out, you give up any right to sue the Defendants for the claims being released in this litigation.

If you have a pending lawsuit against any of the Defendants, speak to your lawyer in that lawsuit immediately, because you may need to Opt Out from the Class to continue your own lawsuit.

16. If I Opt Out, Can I Still Get Money Benefits?

No. If you Opt Out from the Settlement, you will not get any money as a result of the Settlement.

OBJECTING TO THE SETTLEMENT

17. How Do I Object to or Comment on the Settlement?

You can ask the Court to deny approval by filing an objection. You can also object to the request for attorneys' fees and expenses or the proposed Service Awards for each of the Lead Plaintiffs. You can't ask the Court to order different Settlement; the Court can only approve or reject this Settlement. If the Court denies approval, no Settlement payments will be sent out and the lawsuit will continue. If that is what you want to happen, you must object.

Any objection to the proposed Settlement must be in writing. Any objections must be submitted to the Court either by mailing them to Judge Quinones Alejandro, the United States District Court for the Eastern District of Pennsylvania, James A. Byrne U.S. Courthouse, 601 Market Street, Room 8613 Philadelphia, PA 19106-1740, or by filing them in person with the Court, and be filed or postmarked on or before July 10, 2019. If you file a timely written objection, you may, but are not required to, appear at the Final Approval Hearing, either in person or through your own attorney. If you appear through your own attorney, you are responsible for hiring and paying that attorney. All written objections and supporting papers must (a) clearly identify the case name and number (*High Street, et al v. Cigna, et al.*, No. 2:12-cv-07243-NIQA), (b) the Settlement Class Member's printed name, address, telephone number, email address, and date of birth (and, if different, name and address on the Notice you received); (c) a statement with specificity of the grounds for the objection along with any supporting papers, materials, briefs or evidence that the Settlement Class Member wishes the Court to consider when reviewing the objection; (d) whether the objection applies only to the objector, to a specific subset of the Settlement Class or to the entire Settlement Class; (e) the objector's actual written signature; and (f) a statement whether the objecting Settlement Class Member and/or his or her counsel intend to appear at the Final Approval Hearing. If a Settlement Class Member or counsel for the Settlement Class Member who submits an objection to this Settlement has objected to a class action settlement on any prior occasion, the objection shall also disclose all cases in which they have filed an objection by caption, court and case number, and for each case, the disposition of the objection, including whether any payments were made to the objector or his or her counsel, and if so, what incremental benefits, if any, were achieved for the class in exchange for such payments.

18. What Is the Difference Between Opting Out of From the Settlement Class and Objecting to the Settlement?

If you Opt Out from the Settlement Class, you are telling the Court that you do not want to participate in the Settlement. Therefore, you will not be eligible to receive any benefits from the Settlement, and you will not be able to object to the Settlement. Objecting to a Settlement simply means telling the Court that you do not like something about the Settlement. Objecting does not make you ineligible to receive a payment.

THE FINAL FAIRNESS HEARING

The Court will hold a hearing to decide whether to approve the Settlement and any requests by Lead Counsel for fees, costs, and expenses. You may attend and you may ask to speak, but you do not have to do so.

19. When and Where Will the Court Decide Whether to Approve the Settlement?

The Court will hold a Final Fairness Hearing at 1:00 p.m. on August 9, 2019 at Courtroom 8B of the United States District Court for the Eastern District of Pennsylvania, Philadelphia Office, 601 Market St., Philadelphia, PA 19106. The hearing may be moved to a different date or time without additional notice, so check www.HighStreetChiroSettlement.com; or call (888)-208-9083 to confirm that the date has not been changed. At this hearing, the Court will consider whether the Settlement is fair, reasonable, and adequate. If there are objections or comments, the Court will consider them at that time and may listen to people who have asked

to speak at the hearing. The Court may also decide how much to pay Lead Counsel and whether to reimburse Lead Counsel for certain costs, and whether to pay Service Awards to the Lead Plaintiffs. At or after the hearing, the Court will decide whether to approve the Settlement.

20. Do I Have to Attend the Hearing?

No. Lead Counsel will answer any questions the Court may have. But you are welcome to attend at your expense. If you send an objection or comment, you do not have to come to Court to talk about it. As long as you filed or mailed your written objection on time, the Court will consider it. You may also hire your own lawyer at your own expense to attend on your behalf, but you are not required to do so.

21. May I Speak at the Hearing?

If you send an objection or comment on the Settlement, you may have the right to speak at the Final Fairness Hearing as determined by the Court. You cannot speak at the hearing if you Opt Out from the Settlement Class.
